POYNTON ROTARY'S 2018 PARTY IN THE PARK

Last year's show was one of the best, but this year it is going to be even bigger and better with 6+ hours of sensational music for all tastes. We have booked two of the most exciting tribute acts around, **Tasha Leaper** as **Madonna** and **Lee Pashley** as **Robbie Williams**. Both performers have the looks, voice and moves, and we know will deliver captivating performances. We are also delighted to welcome back **Steve V King**. Formally of the official Drifters line up, Steve will sing a host of gems from the Motown and Soul era. Back again by popular demand are **Monkey Harris** who will get everybody on their feet. Supporting the line-up will be the highly talented '**Under the Covers**' band. Again we have the fabulous **Georgio Holland**, soprano **Jennifer Lowe** and, of course, Poynton's prize winning **VBS Brass Band**, and **Young Performers**. Last but not least is our very own **Leroy Lurve** who will compère the show one hour earlier from 4pm.
